**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Let Sonic make competitive fiber lines

I don't want to be forced to choose between one or two service providers who have no need to innovate or provide customer service because of the Monopoly that they have inherited. With more competition, consumers will be able to select the best quality service for the most reasonable price.
